BABA FARID COLLEGE OF ENGINEERING & TECHNOLOGY BATHINDA

(ANNUAL REPORT 2017-18)

Baba Farid College of Engineering & Technology Bathinda was established in 2008 and imparting education in the fields of undergraduate programme of Bachelor of Technology in the disciplines of Computer Science & Engineering, Electronics & Communication Engineering, Civil Engineering, Mechanical Engineering, Electrical Engineering & Postgraduate programme of Master of Technology in CSE with an experienced, qualified and dedicated.

The College is organized Student Induction programmer for the newly admitted students. Distinguished Chief Guest of the day are Mr. BD Sharma (Deputy Director Activities) and Ms. Baisakhi (Department Training & Placement).

BFCET has played a seminal role in providing Best technical knowledge among the students from the last thirteen years. BFCET faculty works with distinct goals to outline the students' all -round personality. They try to apprise the students with both worldly and unworldly values by being their mentors from the start to the completion of their courses. Through their efforts we have proved our mettle by creating new frontiers of excellence and ethical standards.

Excellence in academics is the hallmark of any good institution. Last year has been a pleasing year for BFCET in terms of the academic achievements. Our students have shown an excellent performance and secured centum results in the University end term examinations. We feel delighted to mention that more than 30 students who got above 85% marks in Btech from BFCET It is matter of immense pride that our students are shining in annual end term examinations. More than 25 students scored above 90% marks in their respective departments. As students got 9.85 CGPA in their respective subjects.

The Training And Placement Cell of our college has achieved many offers to our students by many companies .I feel Immense pleasure that every year our students of Electrical, Civil ,Mechanical and Computer Science Engineering were got their internships and placements in the renowned companies. In the case of placement, some of the esteemed recruiters were, Tech Mahindra, Infowiz, code infotech, shape my skills, Pais so Private Ltd, and Think Next. And the list goes on. Pre-placement talks are a regular activity organized by the training and placement cell of BFCET. Also, students of Electrical Engineering were recruited by Tech Mahindra Noida.

More than 100 students of BFCET were placed in various companies and they got a higher package of salary. Training & Placement department has given training right from the 1st year to final year by various training programs like aptitude, soft skills & technical and Personality development.

Good quality education is the foundation of new discoveries, new knowledge and innovation. The above statement made true at BFCET through Research and Development cell, a vibrant wing in BFCET that seen another successful year. Total 25 Journal papers published by the faculty of engineering in this year. BFCET faculty members published their research papers in reputed publications such as Sci scopes .International

Journal of Quantum Information Vol 15, SCI(IFO-9),International journal of Research in Electronics & Computer engineering IJRECE VOL6 ,Journal on Emerging Technologies & Innovate Research (JETIR),Journal of computer science & engineering VOL-6,Journal of Nanoscience ,Nano engineering & Application, Journal on Advances and Scholarly Researched in Allied Education, Aryabhata journal of Mathematics & Informatics.

The Institute also conducted numerous webinars, workshops, training sessions, FDPs, panel discussions, guest lectures, etc. for the enrichment of academics well as students. We had webinars on various topics organized by different departments- BFCET in collaboration with Adani Solar Plant Sardargarh , Bathinda organized a seminar on March 27, 2018 on Entrepreneurship **Steep Rise of Entrepreneurship in generation of Solar Energy**. IN this year BFCET organized a seminar on **Research Methodology on Recent Automation working Techniques** in Thermal Power Plant. One week faculty development program on **Entrepreneurship** organized by BFCET in collaboration with NABARD.

One day workshop on **Digital Marketing and Its Importance for Business and Entrepreneurship** on Feb 23,2018was coordinate by Baba Farid College of Engineering & Technology in coordination with Skycon Technologies, Bathinda

Entrepreneurship awareness camp is organized in collaboration with Entrepreneurship Development institute, NSTED, Department of Science and Technology Govt of India from March 12, 2018 to March 18, 2018.

BFCET always organized various Professional Development and Administrative programs for Teaching and Non-Teaching staff members. In this year Institute organized **SDP's on advanced**

plumbing tools and techniques programmer, 4 days staff development program on Personality Development and Positive Thinking organized for Teaching and Non-teaching staff.

BFCET organized Administrative Training Programs on Enterprise Resource Planning (ERP) System and leave management (August 01,2017).

College has many clubs in order to channelize the students in their spare time for their overall Physical, Mental and spiritual development. Students actively take part in various clubs like National Service Scheme, Roots cultural club, Robotry club and Code Masters club..

Apart from that. Code Masters Club of BFCET organized activity on Digital Marketing in association with Skycon Technologies.

Roots cultural club run by BFCET students have reached its zenith under the special attention of teachers. Some of the experiential activities like Hackathon, and Entrepreneurship provided valuable takeaways to the students.

Additionally, students of BFCET participated in various cultural events at University level. They take participation in various events of Gidha, Luddi ,Duet Dance ,Solo Dance , Shabad ,Western vocal solo, Debate, Poem recitation, On the spot Photography, Quiz, Essay writing Mehndi, Rangoli, Bhangra . All students got first and second positions in this year.

We at BFCET believe that sport is an integral part of a student's personality development. Our students participated and won various positions in different sports activities organized by the institute, such as Cricket, 100m. Hurdles, 400m. Hurdles, cross country women, throw and shot put, race and long jump, Javelin throw, badminton women, carrom, chess tournament and table tennis tournament, Volleyball men and women.. Finally, we at BFCET feel that there is no end to learning and much remains to be done after the completion of each stage as learning is an unending process. We hope to attain new heights in the years to come.

Our report will be incomplete in all its perspective without extending our heartfelt thanks to our Faculty members who stand as a rock behind every initiative taken by the BFCET. It is due to their relentless support that BFCET today occupies a distinct place of its own in the educational institutions of the country.
