

BABA FARID COLLEGE OF ENGINEERING & TECHNOLOGY BATHINDA

Report

Report of Alumni Talk organized by Department of EE on 10.03.2023

Date of Alumni Talk: 10th March 2023

No of Participants: 28

Department: Department of Electrical Engineering

Semester: 6th

Name of Alumni: Er.Taswinder, (Batch 2014-2018) Electronics and Communication Engineering

Topic: Future scope of Electronics Engineering and various challenges faces in technical fields

Mind Optimizer ISTE Club, Baba Farid College of Engineering and Technology is continuously adopting innovative ways to help the students in continuing their regular studies as well as connect with experts from various fields. BFCET is bringing experts from different fields to interact with the students by offline mode. The department of Electrical Engineering, Baba Farid College of Engineering & Technology, Bathinda organized an Alumni talk. Alumni Er.Taswinder, from B.Tech. Electronics and Communication Engineering Batch (2014-18) shared his experience with students.

He motivated the students to achieve the goals of their life. He suggested the students to follow a proper road map guided by their mentors. The main topic of this talk was “future scope in engineering and various challenges faces in technical fields”. The skills required to the acquired by the students in their domain were conveyed to the students.

Then Er. Harsimran Singh expressed his gratitude to Er.Taswinder for providing the participants an enriching knowledge. Also he expressed his thanks to Dr. Jyoti Bansal (Principal, BFCET), for providing support for such extra events. Chairman BFGI, Dr. Gurmeet Singh Dhaliwal always inspired and encouraged such activities at Institution level for grooming of the students.
