Name of Resource Person: Er Dheeraj Kumar, JE, MES

Baba Farid College of Engineering and Technology under FORCE Club organized Alumni Interaction session on platform Microsoft Teams by proud alumni of batch 2010-2014 “Er. Dheeraj Kumar”, JE, MES. Er. Dheeraj was welcomed by Er. Priya Mittal, Assistant Professor, Civil Engineering Department. Our Alumni firstly interacted with our upcoming civil engineering graduates and then he shared the roles and responsibilities of his job in government sector. He also shared his journey till date after graduation in his respective field.

Er. Dheeraj detailed about their ongoing projects and the latest practices undergoing in his respective field for the better understanding of students. It is very important for students to learn about on-site experience and how one can bring theoretical knowledge into practicality. He also briefs about career growth and opportunities in Civil Engineering and how this can help them in their future career. Er. Dheeraj also explained the importance and preparation procedure of various competitive exams like GATE, ESE, JE, SDO and many more.

Interaction was the great success and the knowledge booster for our students. Students found this session very insightful. It was very interactive session because of the friendly conversational nature of the expert. Our students also asked various queries related to their future career and

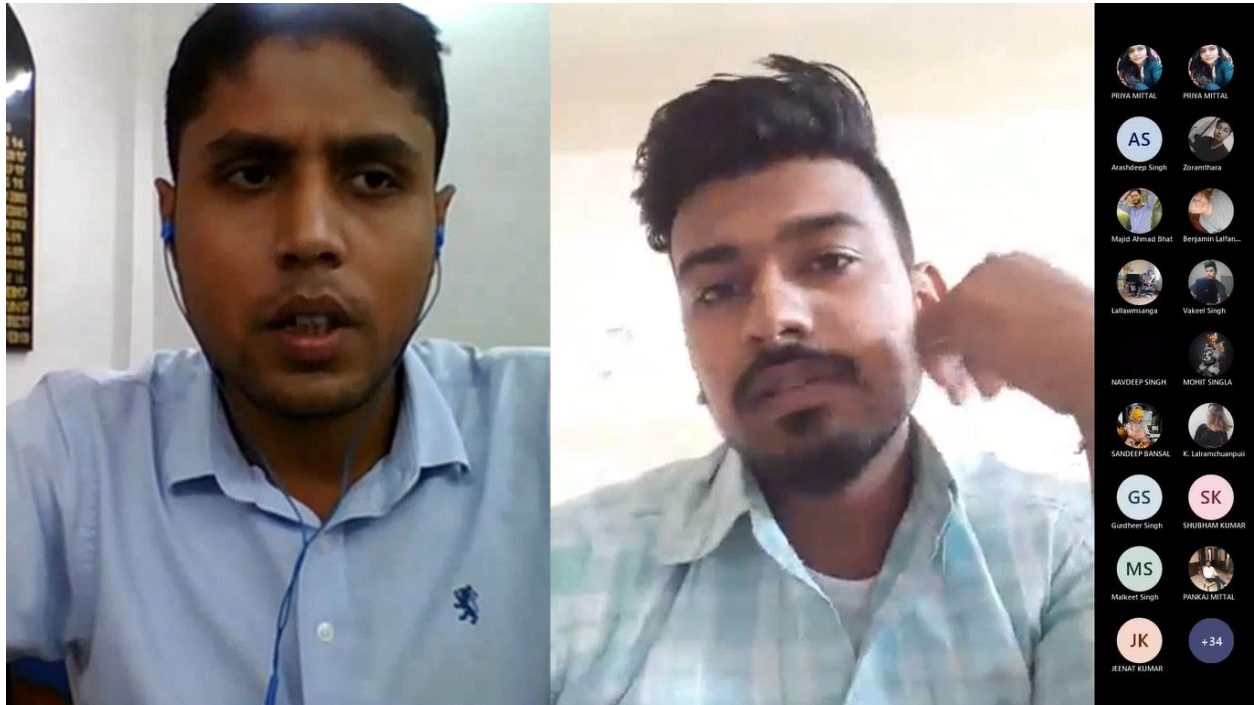

latest techniques and practices used in civil engineering from our experts. Er. Pankaj Mittal concluded the session with presenting vote of thanks.
