

Name of the Activity: **Online Alumni Meet**

Date of the Activity: **Oct, 29 2023**

Baba Farid College of Engineering and Technology (BFCET), Bathinda, hosted a successful Online Alumni Meet on 29th October 2023. The event provided a valuable platform for former students to reconnect, share their professional journeys, and discuss their contributions to society and their alma mater.

The meet commenced with an inspiring opening address by **Dr. Jyoti Bansal, Principal, BFCET**. She warmly welcomed all esteemed alumni and expressed immense pride in their achievements. Dr. Bansal highlighted the importance of alumni networks in fostering professional relationships, mentoring current students, and supporting the institution's growth. She also shared recent developments at BFCET and encouraged active alumni participation in future initiatives.

The event featured interactive sessions where alumni from various industries shared their experiences, career advancements, and insights into technological progress. Many alumni reminisced about their time at BFCET and expressed gratitude towards faculty members for their guidance and support. Additionally, discussions covered industry trends, entrepreneurial ventures, and potential collaborations between alumni and the institution.

The closing address was delivered by **Er. Balwant Singh, President of the Alumni Association, and Er. Harsimran Singh, Head of the Electrical Engineering Department**. They extended their gratitude to all participants for their enthusiastic involvement and valuable contributions. Emphasizing the significance of a strong alumni network, they urged former students to support their juniors through mentorship and networking opportunities. They also reassured that the Alumni Association would continue to organize such events to strengthen the connection between past and present students of BFCET.

The Online Alumni Meet concluded on a positive and promising note, reinforcing the commitment to continuous engagement between alumni and the institution. The event showcased the enduring
