Report on

## Seminar on Competitive Exam Guidance

**Date of Seminar:** 26<sup>th</sup> February, 2020

**Program:** Civil Engineering

**No. of Students participated:** 95

**Name of Resource Person:** Er. Yogesh Garg, YES Academy, Bathinda

It is quintessential for upcoming civil engineering graduates to know what are different career options are there which they can opt after B.Tech, Baba Farid College of Engineering and Technology organized a one day seminar on how to crack various competitive exams for the students of civil engineering in Lecture hall F-Block, BFCET. Er. Yogesh was welcomed by Er. Tanu, HoD Civil Engineering.

Er. Yogesh spread the talk by introducing students with opportunities , placement in private sector, placements in public sectors, and career options after graduation. A total of 68 students attended this seminar to get a brief knowledge of competitive exams guidance. He has also familiarized the students about civil engineering services examinations, public services undertakings, joining in Indian Armed forces and many more. He informed final year graduates about various public and private sector jobs for which they are eligible to apply. In the continuation, this Lecture was aimed to guide the students how to crack competitive exams and pursue their career after Graduation. The sole purpose of this seminar was to guide the students about the important courses which they have to study for exams. Also how to study w.r.t. weightage of technical and non-technical sections. Experts interact with students throughout the seminar. Students also raised their queries during the seminar. Students were quite satisfied with the seminar and they were quite willing to attend such seminars in future. He also enriches students with information about one of the most important entrance exam GATE and how after qualifying GATE exam students can get benefits like scholarships during their post-graduation

studies and also gives them knowledge regarding various PSUs which open vacancies directly for gate qualified students. Moreover, he shared the value of the GRE exam for the students who want to pursue higher studies in the foreign countries.

It was a very interactive session because of the friendly conversational nature of the expert. The expert talk was a great knowledge booster, students understood various career options after their graduation and get competitive exam guidance, and they also asked various questions to experts about career options in which they are interested. Er. Priya Mittal concluded the seminar with presenting a vote of thanks.
