Date of Activity: **March 9,2021**

Location: **Mahant Gurbanta Das School for Deaf & Dumb, Bathinda**

Number of Students Participated:**79**

In India, school children are often unaware of their health problems. There fore, they experience a lot of difficulties later on. It' svery important that they take medical checkup on time when required so that they should get proper guidance before it's late. In association with Indian Red Cross Society, Bathinda, and One Day Free Medical Check-up Camp at Mahant Gurbanta Das School for Deaf & Dumb, Bathinda was organized by NSS Unit of Baba Farid College of Engineering & Technology for this purpose. Around 79 school children took benefit of this camp and got their checkups reports. In this camp, team of specialized doctors from Child Specialist Chandigarh Hospital, Bathinda visited and gave advice to all the children as per their requirement. Total 79 students participated in this activity.

Dr. Shinu Singla Goyal (DM, Neurology) & her team provided the information regarding diet, exercise and weight control. Malwa Lab, Bathinda carried out on clinical specimens to obtain in formation about the health of children to aid in diagnosis, treatment, and prevention of very common is eases such as Diabetes, High or Low Blood pressure, HB test, eye-checkup, Skin related problem sand many more. Free medicines have been provided to all by Parveen Medicos, Bathinda and advised to follow up with their local doctors or Public Health Centers. Darshan Kumar (Sectary, Indian Red Cross Society, Bathinda) appreciated the efforts done by the Baba Farid College of Engineering & Technology. He also distributed the Toothpaste, Tooth brushes, and Soaps & Biscuits to the children as well as admired the volunteers for their active participation. The camp was concluded at a positive note.

Baba Farid College of Engineering & Technology is really doing great with their commitment for society people. Through their commitment to bringing about positive changes in society, helping individual so fallages prosper in their local environment, and being an advocate for those who have lost their voice, social workers playa prominent role in improving the lives of those who need it most.

Doctors doing Check during the Camp
