Personal Information

Gender: Female

Marital Status: Married

Father's Name: Sh. Milakh Raj

Mother's Name: Smt. Lajwanti

Home Address: House No.2017, Near Dr. Mohan Lal Garg Nursing Home The Mall, Bathinda, Punjab - 151001

Roles and Responsibilities Handled:

1. Coordinating Academic/ Research /T&P/ Admissions /NAAC Activities as Principal.
2. Working for increasing employability of Students through establishment of School of skill development, campus Product development division & school of Entrepreneurship.
3. Setup Idea Lab from AICTE in the Institution as a Chief mentor.
4. Member of Alumni Association of BFCET.
5. Setup various CoE's in collaboration with FESTO, Intel India, Edgate Technology, Infosys, Fuji Electric Schneider Electric & many more.
6. Convened NAAC as Principal & Achieved NAAC A+ grade during year 2024.
7. Signed MOU's with Universities of national repute like AIIMS Bathinda, Central University of Punjab Bathinda & I.I.T. Ropar.

Awards/ Recognition

1. Awarded for best Placements & best results in the region by MRSPTU, Bathinda
2. Awarded for Global Femina Excellence Awards 2022 for Outstanding Contribution in Promoting Leadership & Management.

Funded Projects/ Applied

1. Received a Research grant for funding of Rs. 20 Lakhs from CSIR for a Project idea entitled "**Automated attention deficit hyperactivity disorder (ADHD) diagnosis and monitoring system** " during year 2023.
2. AI-powered digital platform integrated with IKS-based practices for personalized wellness of faculty and students at workplaces to DST- Science and Heritage Research Initiative SHRI about 37+ lakhs
3. EEG-Integrated AI-Enabled Mobile Platform for Psychiatrist-Assisted Diagnosis of Depressive Disorders to AICTE- Research Promotion Scheme about 24+ Lakhs

Technical/Program/Advisory Committee

1. Member Executive Committee, International Conference on Information and Mathematical Sciences, IMS-13, October, 24th 26th, 2013held at Baba Farid College of Engineering & Technology, Bathinda.
2. Member, Local Organising Committee, International Conference on "Advancements and Futuristic Trends in Mechanical and Materials Engineering AFTMME-16 under the aegis of Society of Materials and Mechanical Engineering (SOMME),February25th-27th,2016 held at Baba Farid College of Engineering & Technology, Bathinda.
3. Member, General Chair, International Conference on Intelligent Machines, ICIM'19 in collaboration with Springer, March, 15th-16th, 2019 held at Baba Farid College of Engineering & Technology, Bathinda.
4. Convenor, one week sponsored AICTE-ISTE Induction/Refresher Faculty

Development Programme on "Outcome Based Education Teaching Learning Skills in Digital Age" July, 9th -14th 2020 held at Baba Farid College of Engineering & Technology, Bathinda.

5. Convenor, One month Industrial Internship Program in collaboration with NITK-STEP & Pantech e Learning on IOT with machine learning 5th November, 2020-5th December, 2020 held at Baba Farid College of Engineering & Technology, Bathinda.
6. Member, Organising Committee, one week sponsored AICTE-ISTE Faculty Development Programme on "Recent Developments in AIR obotics" December, 7th - 12th 2020 held at Baba Farid College of Engineering & Technology, Bathinda.
7. Convenor, International Conference on "Emerging Technologies for Computing, Communication and Smart Cities(ETCCS-2021)"in collaboration with Springer held in August, 21st-22nd, 2021 held at Baba Farid College of Engineering & Technology, Bathinda
8. Convenor, International Conference on "Computing, Communication and Security (ICCCS 2023)" in collaboration with Central University of Punjab, Bathinda and MRSPTU, Bathinda held March, 3rd and 4th held at Baba Farid College of Engineering & Technology, Bathinda

Patents Published/ Granted

1. Monitoring and Movement Detection using Image Subtraction (Granted by Australion Innovation Patent Office on 7th July 2021). (Patent no. 2021103120)
2. Autonomous Multipurpose Agro turtle (Published by Indian Patent Office on 27th September, 2021). (Patent no. 202111043891)
3. Ultrasonic Sensor System using Arduino and Methods there of (Published by Indian Patent Office December 2021). (Patent no. 202111025119)
4. A System Of Connecting Two Lans With Router And Methods Thereof".(Published by Indian Patent Office December 2021). (Patent no. 202111025118)
5. A model to identify Bus Route information using Automated Chat-bot (Granted by Australian Innovation Patent Office on 3rd November 2021). (Patent no. 2021105734)
6. Monitoring and movement detection using image subtraction (07 July 2021) (Patent no. 2021103120)
7. A Method Of Pesticide Residues/Chemicals Cleaning From Fruits And Vegetables (Published by Indian Patent Office 6th May 2022). (Patent no. 202211021743)
8. Shoulder, Hand And Head Supported Brick Picker (Published by EF Office 23rd Sep 2022, (Patent no. 202211053534)
9. An Unmanned Aerial Vehicle (Uav/Drones) Detection System For Border Area Security & Surveillance (8th July, 2023) (Patent no. 202311046002)
10. Wi-fi Extending system and Methods Thereof (23rd Jan 2023) (Patent no. 202311004425)

4. Paper **title "Overview of Grid computing "**published in National Conference on Advancements in Computer Engineering 2008 at Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib, Punjab, INDIA held on 3-4 April 2008.

Conferences/Seminars/workshops attended

1. Attended Faculty Development Programme on Introduction to MATLAB & its Applications in Engineering from 9th January-13th January 2012 held at MIMIT, Malout.
2. Attended Faculty Development Programme on CLOUD COMPUTING from 4th June-8th June 2012 held at MIMIT, Malout.
3. Attended Faculty Development Programme on "**Induction Programme through ICT**" from 10th June-14th June 2013 organized by NITTR, Chandigarh held at BFCET, Bathinda.
4. Attended National Workshop on "**National Programme on Technology Enhanced Learning (NPTEL) Awareness**" from 7th Feb-8th Feb, 2014 jointly organized by JCDMCET Sirsa & IIT Madras.
5. Attended AICTE recognized Short term course on "**Instructional Delivery through ICT**" from19th May-23rd May, 2014 organized by NITTTR, Chandigarh held at BFCET, Bathinda.
6. Attended AICTE recognized Short term course on "**Open Source Technologies through ICT**" from 21st July-25th July 2014 organized by NITTTR, Chandigarh held at BFCET, Bathinda.
7. Attended AICTE-ISTE sponsored Induction/Refresher Programme on Outcome based Education–Teaching learning skills in Digital Age from16thJuly- 21st july 2016 held at BFCET, Bathinda.

Invited/Contributory Talks

1. Invited as a resource person to deliver and invited talk on "**AI Agriculture" in 2nd International Conference on Food Security, Nutrition & Sustainable Agriculture – Emerging Technologies ICFNSA-2019**, February 14-16, 2019 held at Baba Farid College Bathinda
2. Invited as a resource person to deliver a guest lecture on **"Career Guidance and Future Perspective in Computer Sciences"** held at Baba Farid College Bathinda on 22nd February2019.
3. Invited as a resource person to deliver a guest lecture on **"Role and Need of MOOC (Massive Open Online Courses)"** held at Baba Farid College, on 22nd October, 2019.
4. Invited as a resource person to deliver and invited talk on talk on **" Future Internet Technology and Trends" in three days International Conference on Computational Techniques and Intelligent Machines (ICCTIM-2020)"** Nov 26th - 28th, 2020

Session Chair

1. Attended as a Session Chair International Conference on **Information and Mathematical Sciences, IMS-13**, October 24th-26th Oct, 2013 held at Baba Farid College of Engineering & Technology, Bathinda
2. Attended as a Session Chair International Conference on "**Advancements and Futuristic Trends in Mechanical and Materials Engineering AFTMME-16**" under the aegis of Society of Materials and Mechanical Engineering, SOMME, February 25th - 27th, 2016 held at Baba Farid College of Engineering & Technology, Bathinda.
3. Attended as a Session Chair 2nd International Conference on **Food Security, Nutrition & Sustainable Agriculture – Emerging Technologies, ICFNSA-2019**, February 14th - 16th, 2019 held at Baba Farid College, Bathinda.
4. Attended as a Session Chair International Conference on **Computational Techniques and Intelligent Machines, ICCTIM-2020,** November 26th-28th, 2020 held at Baba

xx) Teaching Learning Process

Institute has implemented curriculum as per the framework proposed by the affiliated university MRSPTU, Bathinda to cope up with fast growing technological demands. The curriculum has balanced opportunities for experiential/participative learning to enhance problem-solving capabilities of students. In the institute, use of ICT enabled tools is common practice in teaching learning. The institute is committed to provide student centric learning by combining technology with traditional mode of teaching for enhancing learning experiences of students by using following methodologies of teaching:

1. **Experiential Learning:** Various student centric methods under experiential learning are:
    - **Live projects/major projects:** Live projects and Major Projects demonstrations are used by the faculty to cover some particular topic in the class room or lab. These live projects are skill based and it gives the practical exposure to students.

Faculty demonstrate with project

- **Institutional and Industrial trainings:** All undergraduate students are mandatory to undergo institutional and industrial trainings as per their study schemes.

Certificate of Industrial training

- **Impact Lectures/ workshops by Industry Experts:** The faculty invites the eminent personalities from industry for covering some course contents by the experts from industry which results in enhancing their skills.

STAAD Pro workshop

- **Guest Lectures:** The faculty organizes guest lectures by inviting academicians from the institutions/universities of national repute for covering some course contents and their applications through offline and online platforms.

Guest lecture on Network Security

- **Industry Visits:** The faculty identifies the industry according to the need of course and plans the visits on regular basis which provides the practical exposure of theoretical contents.

Visit to DMW (Locomotive Industry) Patiala

- **Field Visits/Survey:** As per the need of the curriculum, the department faculty organizes field visits to nearby places to give the practical experience to students. The faculty of civil engineering organizes a survey camp after fourth semester end examinations.

Visit to Water treatment plant of Bathinda City

Survey at Field near Hi-Tech, Bathinda

- **Online competitions:** Faculty motivates the students to participate in various club activities, Project presentations, paper presentations etc. which are being organized with the help of various ICT tools.

Design Competition Organized by Robotroys Club

- **Certificate/value added Courses:** Faculty is also motivating the students to do various certificate/value added course being offered by all the departments with the objective to enhance their technical skills.

2. **Participative Learning:** Various methodologies adopted to make the learning more participative are:
    - **Peer to peer learning:** To make this learning more effective, each course teacher makes teams of students (minimum two) from the group (10-12 students) assigned to them. Each team consists of advance and slow learners. Afterwards, each team decides topics to be delivered or presented by Power point presentations during class under the guidance of the respective teacher.

Peer to Peer learning

- **Group activities:** Learning is made participative by incorporating activities including quizzes, debates, group discussions, presentations, club activities, flip classroom teaching etc.

- **MOOCS:** Students are encouraged to enroll for MOOCs for ICT based collaborative learning through online learning platforms like SWAYAM, NPTEL, Coursera, edx etc.

3. **Problem based learning:** Problem solving methodologies integrated in teaching-learning are as follows:
    - **Projects**: Opportunities are provided to students to implement their ideas selected for funding as per students project policy of the Institute. Mentors are there to guide the students during working of projects. Further a no of ideas are converting into granting and publishing of patents. A total of 48 patents have been published out of which 06 had been granted by the students of BFCET till date. The Institute has currently 5 startups in Incubation and 2 startups got selected to exhibit at G20 Amritsar held on 15-17th March 2023.

Memorandum of Understanding Concerning

Academic and Research Collaboration

Between

National Institute of Technology Delhi

(Plot No. FA7, Zone, P1, GT Karnal Rd, Delhi, 110036, Through its Hon'ble Director)

AND

Baba Farid College of Engineering and Technology Bathinda

(Muktsar Road, 151 001 Punjab, Through its Hon'ble Director)

National Institute of Technology, Delhi (herein after referred to as **NIT Delhi)** and **Baba Farid College of Engineering and Technology Bhatinda (hereinafter referred to as BFCET Bhatinda)** recognize their strengths in research and academics in one or more disciplines of science, engineering, management and social sciences and their mutual interest in engaging themselves in academic and research cooperation.

Therefore, **NIT Delhi** and **BFCET Bhatinda** agree to establish a programme for academic cooperation in areas of mutual interest, and in accordance with terms and conditions set forth in this memorandum (MOU).

Through this MOU, both Parties affirm the value of collaboration and agree to promote the following activities:

a. Cooperate in the exchange of information relating to the activities in research fields of mutual interests;
b. Promote appropriate joint research projects, joint consultancy, with particular emphasis on national and internationally funded projects;

c. Joint supervision of post graduate and Ph.D. students.
d. Organizing expert lectures and practical training programs by faculty, students and staff members for B.Tech/ M.Tech/PhD students of both Institutes.
e. Conduct joint conferences/ short term courses/ workshop/ seminar on topic of mutual interest, as mutually agreed in writing between the parties prior to commencement of the activity;
f. Providing guidance and technical support in Laboratory Projects & Product development.
g. Mutually supporting the students in developing the innovative projects.
h. Mutually supporting the students and faculties in innovations, entrepreneurship and IPR.
i. Mutually supporting the institution for collaboration with industries and solving their live problems.
j. Faculty involved in any of activities mentioned above under MOU will be considered as on duty, during the visit to collaborated Institution.

The aim of the MOU shall be to enable realistic co-operations in the respective contributions and benefits of the collaboration, and there shall be periodic review by both Institutes.

This MOU places no financial obligations or supplementary funding commitments on either side. The above activities will be defined through separate program agreements that detail commitment of resources (financial or otherwise) required by each Institution. Subsequent program agreements must be approved in writing by the authorized representatives of each Institution.

NIT Delhi and BFCET Bhatinda agree to respect each other's right to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MOU will be worked out on a case-to-case basis and will be consistent with laid down IPR policies of the two institutions.

The day-to-day implementation of this MOU will be coordinated by **Dean, Startup & IPR, NIT Delhi and BFCET Bhatinda.** The coordinators, thus appointed, will periodically review **and** identify ways to strengthen cooperation between the two institutions.

This MOU will take effect from the date it is signed by the representatives of the two institutions. It will remain valid for 03 years from that date and may be continued thereafter also after suitable review and mutual agreement. Either institution may terminate the MOU by giving written notice to the other institution six months in advance. Once the MOU is terminated, neither **NIT Delhi** nor **BFCET Bhatinda** will be responsible for any losses, financial or otherwise, which the other institution may suffer. However, **NIT Delhi and BFCET Bhatinda** will ensure that all activities that are in progress are allowed to complete successfully.

Should there be a dispute relating to any aspect of academic and research cooperation, Director, **NIT Delhi** and Director, **BFCET Bhatinda** will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.

This MOU is signed subject to approval of the respective academic/ administrative bodies.
